The leadership
domain of the
BCA capital
pathway.

CFO-grade finance leadership, fractionally.

Institutional capital expects institutional finance leadership — before the business can justify a full-time CFO. The Fractional CFO domain embeds senior BCA professionals and disciplined reporting infrastructure inside the business, at the intensity the business actually needs.

Every service below carries a defined scope, named deliverables and explicit quality standards — confirmed in a signed engagement letter before work begins. **Commercial terms are tailored to each mandate.**

The services.

01

EFCFO™ — Embedded Fractional CFO

A named senior CFO inside your business, two to three days a week.

BCA/FCFO-001

SENIOR EMBEDDED
PROGRAMME

WHO IT'S FOR

Mid-market businesses that need CFO-level leadership — often post-raise, or pre-raise for institutional credibility — but not yet a full-time hire.

WHAT YOU GET

An embedded BCA director acting as your functional CFO: monthly management-accounts sign-off, cash and treasury management, board and investor reporting, capital-strategy support and finance-team development.

02

MARS™ — Management Accounts & Reporting Service

Investor-grade management accounts, every month, without the overhead.

BCA/FCFO-002

REPORTING PROGRAMME

WHO IT'S FOR

Earlier-stage and smaller businesses that need credible monthly reporting for lenders and investors before an embedded CFO is justified.

WHAT YOU GET

Monthly management accounts produced or reviewed to investor grade, a standard KPI dashboard, variance analysis with commentary, and reporting formatted for the specific audience receiving it.

The services, continued.

03

CWCA™ — Cash & Working Capital Architecture

BCA/FCFO-003

DIAGNOSTIC + BUILD

For businesses that are profitable on paper and tight on cash.

WHO IT'S FOR

Companies with working-capital stress, cash-flow volatility or scaling plans that will strain the cash cycle.

WHAT YOU GET

A full cash-conversion diagnostic, a working-capital model and thirteen-week rolling cash forecast, a client-specific treasury policy, and optimisation recommendations costed in actual cash released.

04

BFOP™ — Board Financial Oversight Pack

BCA/FCFO-004

BOARD GOVERNANCE
PROGRAMME

Board packs your directors can actually govern with.

WHO IT'S FOR

Businesses with an active board — or newly appointed independent directors — that need institutional-grade financial oversight materials each quarter.

WHAT YOU GET

A designed quarterly board-pack cycle covering performance, KPIs, risk, capital position and compliance, plus drafted board papers for capital decisions and audit-committee support.

LET'S TALK

Every engagement begins with a *structuring conversation.*

Whether you're testing whether you're ready, weighing a structure, or preparing to go to market, the first step is the same: a conversation about where you are and what the right next move looks like.

Tell us your situation and we'll set out the recommended sequence — and exactly what each engagement would cover before any commitment is made.
